Michael P. Chomiak, AAMS®

Michael joined Access Wealth Planning in 1997 and is a dedicated and trusted asset to the firm and its clients. In addition to advising clients on their investments, he serves as the co-chair of the Investment Committee and performs much of the research and implementation of the firm's investment policies. He also works closely with the rest of the Access Wealth Planning team to ensure clients' financial plans are in order.

He holds the Accredited Asset Management Specialist (AAMS®) designation, sponsored by the College for Financial Planning in Denver, Colorado. This program includes a rigorous course of study encompassing investments, insurance, tax, retirement, and estate planning issues.

Prior to this certification, Michael also earned a Bachelor's degree in Political Science from the William Paterson University in New Jersey.
